OGH
OPTICALJA GLOBAL HOLDING

About OGH

Opticalia Global Holding is a Spanish group of companies with 30 years of experience, specialized in the world of optics and fashionable sunglasses.

OPTICALIA is our optical group with more than 1,100 opticians in five countries. Our history as a chain begins in 2008 in Spain, where we are leaders with more than 600 retail shops. Between 2013 and 2023, we opened markets such as Portugal, Colombia, Morocco, and Brazil. It has converted itself into a recognized and consolidated brand in the sector, thanks to its long history in the industry.

With a clear international expansion strategy, OGH currently holds a variety of international licenses of renowned brands in the fashion world, belonging to the main retail groups in Spain, such as Grupo Inditex and Mango. These groups trust us to develop their collections.

Through a diverse range of brands, we help you to reach all types of audiences across different socio-economic levels and age groups.

Currently we are present in more than 35 countries worldwide with our licenses and own brands.

About Mango

Mango is a renowned Spanish fashion brand founded in 1984 in Barcelona. It is known for its contemporary, elegant, and accessible style.

Its strategy combines fashion design with sustainability and global expansion, positioning it as one of the most important fashion brands in Europe.

Mango has a clear competitive advantage thanks to a unique product proposition rooted in:

**A UNIQUE MODERN STYLE | MULTI-GENERATIONAL
VERSATILITY | TIMELESSNESS | QUALITY
ACCESSIBILITY | SUSTAINABILITY**

Mango has a strong international presence worldwide.

Operates in more than

115
countries

It has over

2.750
points of sale

Mango's expansion plan forecasts 500 new store openings in strategic countries.

MANGO

Silent Luxury

A proposal that reflects a new way of understanding luxury: more introspective, more personal, and deeply elegant.

This collection is expressed through bold, structured shapes that play with volume to bring texture and presence. Subtle designs defined by thick acetate frames with pronounced slope-downs and refined metallic details.
